

Memorandum of Understanding on Research Cooperation

Between Association of Agricultural Technology in Southeast Asia And Rambhai Barni Rajabhat University, Thailand

Association of Agricultural Technology in Southeast Asia (hereinafter referred to as AATSEA) and Rambhai Barni Rajabhat University (hereinafter referred to as RBRU), having its address at 41 Moo 5 Tachang Sub-district, Muang District, Chanthaburi, Thailand aims to develop a research cooperation program in the field of agricultural technology study, and both parties concur with the following items:

1. Based on the principles of mutual benefit and respect for each other's independence, both parties will foster:
 - a. Development of advanced research collaboration, research activities and training.
 - b. Collaborative exchange of visiting professors, researchers, students and academic publications among AATSEA scientists.
 - c. Promoting academic staff to publish their research work in high indexed journals.
2. In order to carry out the activities mentioned above, a specific written agreement will be agreed upon between both parties.
3. It is implicit that each and every activity undertaken under this MOU is approved by the authorized representatives of each party, and must fall within each institution's academic and fiscal constraints.
4. This MOU shall be effective on the date of its signing by authorized representatives of the both parties, and shall in force until either party wishes to terminate. In order to terminate, a year's written notice will be issued.
5. This agreement may be modified at any time through negotiation between both parties.
6. Both parties agree to comply with all applicable laws, but it is not limited to the non-discrimination and disability law in the performance of this agreement.
